Re: Notice of Intent to Designate SNIA Architecture Smart Data Accelerator Interface (“SDXI” Specification v0.9 rev 1 – Request for Disclosure of Intellectual Property Claims

Dear Board of Directors,

Pursuant to SNIA’s Request for Disclosure of Intellectual Property Claims related to the SDXI Specification v0.9 rev 1 (dated September 15, 2021), I disclose the following United States patents that may contain “Essential Claims,” as that term is defined in the SNIA Intellectual Property Policy v4.0 (available here: https://www.snia.org/about/corporate_info/ip_policy):

US 10,503,922
US 9,626,324
US 9,262,197
US 10,853,255
US 10,157,423

Regards,
Shyam Iyer
