SNIA in 2025… and Beyond

- New membership model!
  - If you're a member of SNIA, you're a member of **all** of SNIA!
  - This preview shows everything *you* can do at SNIA
- New Industry Partnerships!
  - SNIA is opening projects to many of the most important projects in the industry: AI, 400G, Memory, Archiving, Energy, and more
- Each technical project has an "inside voice" and "outside voice"
  - What about "your voice"?
  - You can now participate in more activities than ever before
- Today's smorgasbord of SNIA
  - See something you're interested in, come join us!
  - Are we missing something? Come join us and help us cover the gaps!
